On Friday morning, Mariam and her family went to the beach. They took sandwiches, juice and fruit in a big bag. Mariam and her brother Khalid collected twenty shells while their father swam. Their mother sat under an umbrella and read her book. At one o'clock, the family ate their picnic and drank cold mango juice. Then something exciting happened - a fisherman showed them a baby turtle near his boat! Khalid took a photo of it very carefully. On the way home, they stopped at the supermarket to buy milk and bread for Saturday. Mariam fell asleep in the car, smiling about her wonderful day.
