Class 5B went on a trip to Wadi Bani Khalid last month. The students left school at seven o'clock in the morning. After two hours on the bus, they arrived at the wadi. The water in the pools was blue and cool. First, the teachers gave a short safety talk. Then the students walked between the tall rocks and took photos of the little fish in the water. At midday, everyone ate lunch together under the palm trees. Some students swam in the big pool with the teachers. On the way home, everyone was tired but happy. 'Can we come again next year?' asked Salim. The teachers smiled and said, 'Inshallah!'
